

Community Directory

Welcome to Bentley's Community Business Directory!

As you can see, we have an incredible diversity of businesses within our community and surrounding area. There is a variety of home-based businesses in this community and they too, are urged to ensure their business is listed in our community directory so that our citizens can support them – no business is too small.

Please contact the Community Services office with your information to have it added to the Directory or make your request at the Town Office who will pass the details along.

Our Council is confident that as our municipality continues to grow, so shall our businesses. We urge our residents to please ensure that they support all of the businesses within our community – they are the heart of our Town and we need them.

Farmers' Market

Held every Saturday from May long weekend to September long weekend at the Bentley Curling Rink between the hours of 1:30 to 4, this market is the largest and most popular in Central Alberta. Any craft, fresh baking or fresh vegetables you can imagine are offered at reasonable prices each week. 403-748-4809

Walking Path

Joining Gull Lake and Bentley is a paved walking path—a popular attraction not only for our citizens and school students, but for our weekend campers. Many choose to walk or bike into Bentley on Saturdays, go the Farmers Market, possibly stop for an ice cream or a few groceries and then back to the campground. What better way to spend a Saturday and get exercise at the same time.

Hockey

Bentley is home to a very active and dedicated Minor Hockey Association. Parents serve as volunteers as coaches, chauffeurs & cheerleaders. A great number of previous players have gone on to play in junior leagues and even the National Hockey League. <http://www.bentleyminorhockey.com/>

Many adult teams rent ice yearly for recreational leagues as a form of winter exercise. For ice rentals or general information call 403-748-4044.

Public Skating & Stick Time

Skating times may vary—schedules are posted at the arena and on the Towns' website.

Bentley Skating Club

From tiny tots to older teenagers, this program is very popular. Participants compete against each other in area competitions and produce and star in their own carnival each spring.

Ball Diamonds

The municipality maintains three ball diamonds. Rentals can be arranged through the municipal office at 403-748-4044.

Golfing

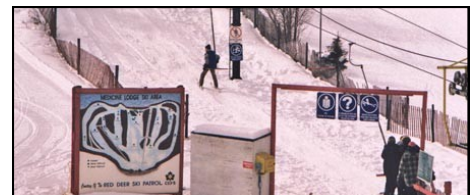

Though we do not have a golf course situated within the municipality, there are numerous courses all within 30 minutes of Bentley.

Skiing

Approx. 11 km west of Bentley on Hwy 12, you will find this natural snow hill. Lifts take you to the top of the beautiful Sunset Hills, where you can truly appreciate the beauty of our countryside. The club offers a family atmosphere where skiing and snowboarding are welcome. Rates are reasonable, for more information call 403-748-2025.

Curling

A four sheet artificial ice surface provides for all the curling you desire. The curling club is run by an executive. Junior, adult and senior leagues and bonspiels are active during the winter months. The curling rink complex is available for rent during the summer months for cabarets, etc. at reasonable rates. Contact them at 403-748-4303.

Camping

Bentley Municipal Campground has 33 camping stalls and a washroom facility. Currently there are no services available.

For more information or to book a pre-paid site call 403-748-4044.
