At bright and cheery **Milly Oak Café and Catering**, the first thing we notice are decadent desserts in the pastry cabinet. Sufficiently motivated, we quickly decide on a bison skillet, Cubano sandwich with Caesar salad, and BLT with watermelon salad. Everything is fresh and flavorful, with a focus on local ingredients. Portions are generous, so we don't really need dessert, but the girls can't resist a worms and dirt brownie (brownie topped with gummy worms) and caramel cinnamon bun. The smiles on their faces tell me the treats are as good as they look.

In the afternoon, we visit the Truth and Reconciliation exhibit at the **Lacombe Flatiron Museum** in the distinctive Flatiron Building. Art has been contributed from schools across Canada and guests are encouraged to complete a card with what truth and reconciliation means to them. Admission is free, and rotating exhibits ensure there is always something interesting to see. Donations are welcome, however, and you can support the **Lacombe Museum & Archives** (including the Flatiron Museum, Michener House, and Blacksmith Shop Museum) by purchasing from the gift shop. Agenda Date: Nov 8, 2022

Agenda Item: New Business: Arena Rental Rates 2022 & 2023 Season

ADMINISTRATIVE RECOMMENDATIONS

THAT Mayor and Council Authorize the CAO Marc Fortais to freeze arena rental rates for the 2022 to 2023 season to the same rates charged for the 2021 to 2022 season.

SUMMARY & BACKGROUND

Policy 53/2015 establishes the Arena Rental Rates for each year and provides guidance to increase this amount by the Alberta consumer price index average of the previous 12 months. Administration is recommending that the arena rental fees for the 2022 to 2023 season continue to be frozen at the previous season rates.

As per the previous year, the following were the established rental rates for the 2021 to 2022 season:

- The rates are frozen at the last increase which occurred in 2019 and was based on the average of annual (Alberta) consumer price index – June 1, 2018, to May 31, 2019, 2.1%
 - Bentley Minor Hockey \$124.02 per hour
 - Bentley Figure Skating \$124.02 per hour
 - Seasonal Adult Groups/Teams \$168.33 per hour
 - Non-local Youth Group/Teams \$150.64 per hour
 - Non-seasonal Adult Groups/Teams \$186.23 per hour
 - Tournaments same rates as above for each group
 - Bentley School – Phys Ed Seasonal Flat Rate for Weekday Rentals \$1,457.85 school term
 - Bentley School – Hockey Academy (Weekday rentals) \$57.09 per hour
 - Local Family or other local group
 - Occasional ice rentals same as rate for seasonal adult group
 - Non-Local Family or other group
 - Occasional ice rentals same as non-seasonal adult groups

Administration also conducted a review of ice rental rates in other community facilities in 2020 within the area. (Attachment 1). Bentley's rental rates are competitive within the region and administration feels that they are fair and reasonable based on the review that was undertaken.

BUDGET AND FINANCIAL CONSIDERATIONS

- Annual Revenue Budgeted for 2022 was \$180,000 this was based on no increased ice rental fees. Current actuals to the end of October, are \$81,122.56. It should be noted that many rentals occur throughout November and December, and we anticipate revenues will be slightly less than what was budgeted by end of year around \$160,000 based on year-to-date utilization and anticipated usage to end of year.
- It is anticipated that ice time will be fully allocated if facilities are able to operate within the winter months.

RATIONALE FOR RECOMMENDATION

- COVID-19 has impacted everyone and has the potential to continue to do so, freezing ice rental rates supports affordable recreation opportunities during this challenging time.
- Upon review of Bentley Ice Rental Fees, we are in alignment with some communities in Central Alberta and administration feels that fees are reasonable.

OPEN HOUSE AND MEETING

BENTLEY-LACOMBE COUNTY JOINT DEVELOPMENT INITIATIVE

The Town of Bentley and Lacombe County are working together to encourage commercial and industrial growth opportunities in Section 23-40-1-W5M at the southeast corner of the Town of Bentley. The Project is called the “Bentley-Lacombe County Joint Development Initiative.”

The Project aims to prepare lands for future development by addressing several key questions around expectations and opportunities. It seeks to provide critical information needed by potential investors who may be interested in establishing a business in Central Alberta and specifically the area near Bentley. This includes:

- Detailed plans for the types of land use that may be possible;
- Patterns of land use and future road connections; and
- Opportunities to access to municipal water and wastewater services.

A key output will be the creation of an area structure plan for Section 23. The Project also involves adjusting the Town boundaries to add commercial and industrial lands to the Town and cost and revenue sharing arrangements between the Town and County.

On Wednesday, November 16, 2022, we will be hosting an open house and meeting about the Project. You are welcome to attend!

A draft land use concept for Section 23 will be available along with background information. Your input will help us make key decisions for the next steps of the Project which includes the preparation of the draft area structure plan.

The open house will run from 4:00 pm to 8:00 pm. Display boards will be available for viewing and planning staff will be available to answer questions and discuss the Project with you. The timing is flexible and you are welcome to attend when convenient for your personal schedule.

A brief presentation will be given by planning staff at 6:30 pm. This will be followed by an opportunity for questions and discussion.
