

## **Information Bulletin**

# **Town of Bentley Outdoor Skating**

**December 22, 2021**

Mayor, Council and Town Administration are happy to let residents know that there will be an outdoor skating surface, located behind the Arena and next to Ball Diamond #1. Last year we heard from residents regarding the desire to have a skating surface to support young kids, and Mayor and Council hope that the community will get out and enjoy the area with their families. Lights have also been repaired and will be on in the evenings to provide additional safety.

Public works is currently in the process of flooding the small skating surface, and it is our hope that the area will be ready for skating on Christmas Day.

On behalf of Mayor Rathjen, Council and Administration we hope you enjoy this festive season and get out for a family skate! Do not forget to bring the hot chocolate!

Sincerely,

Marc Fortais  
Chief Administrative Officer
