

Regional Relief and Recovery Fund (RRRF)

The Government of Canada and Community Futures organizations (CFs) understand the difficulties the COVID-19 pandemic has caused the small business community throughout the West. As a result, the Government of Canada has made funds available to the CFs to provide support and assistance to SMEs through the rural stream of the Regional Relief and Recovery Fund (RRRF).

Small business owners impacted as a result of the COVID-19 pandemic can apply for loans up to \$40,000 through the Regional Relief and Recovery Fund (RRRF).

The Regional Relief and Recovery Fund provides funding to support businesses that have not been approved for supports through the Canada Emergency Business Account (CEBA) or the Emergency Loan Program delivered through Aboriginal Financial Institutions.
