# Construction Notice

The Town of Bentley, through out Contractor "Urban Dirtworks Inc" will be undertaking rehabilitation work on 50<sup>th</sup> Street South and the service road from 50<sup>th</sup> Street South to the Transfer Station as per the below map.

This work is scheduled to commence on May 17<sup>th</sup>, 2021 and will continue until completed and weather permitting. The planned construction will result in some detours and speed restrictions. Please be mindful of the crews and follow all restrictions to ensure their safety, while we undertake this important work.

Access to the local businesses will be maintained throughout the construction sequencing, which will occur as follows:

***Phase 1 – includes the closure of the access road in phases in front of Healthy Herds, Hi Flow and Hydro Dig, but will maintain access to ensure the continued operations of the businesses.***

***Phase 2 – includes the closure of the 50<sup>th</sup> Street South portion of road from in front of Hi-Flow to Hydrodig, access and detour will occur on the Phase 1 rehabilitated access road while this work is completed.***

***Phase 3 – will be the closure of the AT service road from 50<sup>th</sup> street south to the transfer station. This work will include opening the old access point to 50<sup>th</sup> street south from the highway just before the tracks to ensure that businesses can be accessed from highway 12.***

If you have any specific questions or concerns regarding the project, please contact the Town Office at (403)-748-4044.

Marc Fortais

Chief Administrative Officer

1 – Information signs posted west of closed intersection and east of entrance of detour with information that temporary access to businesses south of Highway 12/50<sup>th</sup> Street will be at the Highway 12/50<sup>th</sup> Street South intersection ONLY

Access road from HWY12 south to businesses Delineators will line both sides
