Opinion

We have audited the municipal financial information return of the Town of Bentley (the "Town") which comprise Schedule 9A as at December 31, 2022, and Schedules 9B through 9D, 9Q, 9E through 9L, 9AA and 9P for the year then ended (the "financial information return").

In our opinion, the financial information return is prepared, in all material respects, in accordance with the accounting principles prescribed by the Minister of Alberta Municipal Affairs as per the *Municipal Government Act* (Section 277(2)).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Information Return* section of our report. We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the return in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting and Restriction on Distribution and Use

We draw attention to the fact that the financial information return has been prepared in accordance with the accounting principles prescribed by the *Municipal Government Act* (Section 277(1)). The return, as requested by the Minister of Alberta Municipal Affairs, is to be used primarily for provincial statistical purposes. As a result, the return may not be suitable for another purpose. Our opinion is not modified in respect of this matter. Our report is intended solely for the Town of Bentley and the Ministry of Alberta Municipal Affairs and should not be distributed to parties other than the Town of Bentley or the Ministry of Alberta Municipal Affairs.

Other Matter

The Town of Bentley has prepared a consolidated set of financial statements for the year ended December 31, 2022 in accordance with Canadian public sector accounting standards on which we issued a separate auditor's report to the members of Council of the Town of Bentley dated April 20, 2023.

Responsibilities of Management and Those Charged with Governance for the Financial Information Return

Management is responsible for the preparation of this financial information return in accordance with the accounting principles prescribed by the Minister of Alberta Municipal Affairs as provided for in Section 277 of the *Municipal Government Act*, and for such internal control as management determines is necessary to enable the preparation of this financial information that is free from material misstatement, whether due to fraud or error.

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

In preparing the financial information, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the town's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Information Return

Our objectives are to obtain reasonable assurance about whether the financial information return as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information return.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information return, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the return or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Audited Schedule Error(s): Items listed below will require additional explanation. After submission a member of the Information Services Team may reach out to you requesting clarification on these items.

Prior Year's Line 3450 Column 2 plus Current Year's Line 3120 Column 3 less Line 3120 Column 4 must equal Line 3450 Column 2

This is a formula error. The calculation works when completed manually.

Audited Schedule Warning(s): The items below may require additional explanation. After submission a member of the Information Services Team may reach out to you requesting clarification on these items.

Audited Schedule (-) Values: Although allowed, some negative values are already assumed in calculations (i.e. Reductions, Expenses etc.). The following are items where a negative entered may alter the intended "horizontal" or "vertical" results and should be checked prior to submission.
