911

QUICK TIPS
Reporting crime, whether to police or bylaw, allows the right agency to respond and address issues before they escalate.

Every call matters. Even small and non-urgent incidents help police and partners identify patterns, track repeat offenders, and prevent future crime.

310 - RCMP

(310-7267) no area code required

Province-wide, dedicated phone-line that is meant for non-emergency police matters.

Report a suspicious person, property damage, or a minor theft, this number connects you directly to the appropriate RCMP detachment

Crime Stoppers

<https://crimestoppers.ab.ca> or 1-800-222-TIPS (8477)

Anonymous reporting to Law Enforcement for any matter not requiring immediate Police action; and is not monitored 24/7

Bylaw Reporting

Some concerns are addressed by municipal or county bylaw services rather than police.

These may include animal control concerns; property maintenance; zoning matters and missing or damaged traffic signs.

Be prepared to provide details. When reporting an incident, include as much information as possible such as location, time, descriptions of people or vehicles, and what occurred.

Your Local Detachment

For non-urgent police matters, you can contact your local RCMP detachment directly using their non-emergency line.

This includes reporting suspicious activity, follow-ups, or providing information about an incident.

Do not use this line for emergencies.

Online Reporting

<https://report.rcmp.ca/en> or download the Alberta RCMP app through Apple or Google Play

Report incidents that do not pose an immediate or potential threat to life or public safety.

A Summer Greeting from Your Mayor and Council

Warm summer greetings, Bentley!

There is no place quite like Bentley during the summer months. As the sun shines brighter and the days stretch longer, our community truly comes alive. From the bustling energy of our local businesses to neighbors visiting on front porches, the warmth of our town extends far beyond the weather.

Summer is a time for connection, celebration, and making lasting memories with family and friends. Whether you are spending your weekends enjoying our local parks or taking a stroll down our historic streets, we hope you are finding plenty of time to recharge and enjoy the season.

Fair & Rodeo Season is Here!

One of the absolute highlights of our summer is just around the corner—the annual **Bentley Fair and Rodeo**! This long-standing tradition brings our community together like nothing else. To make sure you don't miss a single moment of the excitement, **be sure to check the latest Town Newsletter**. It contains the complete schedule of events, timing, and locations for all the upcoming fair and rodeo festivities. Pull out your boots, invite your family and friends, and let's get ready to celebrate together!

Building a Stronger Bentley

While you are out enjoying the sunshine, you will also notice plenty of activity around town. Summer is our busiest season for municipal improvements. Our dedicated town crews and contractors are hard at work on essential infrastructure upgrades—including our vital sewer main replacement projects—to ensure Bentley remains a safe, strong, and beautiful place to live. We greatly appreciate your patience and cooperation as we complete these necessary improvements.

Support Local, Stay Safe

We encourage everyone to keep supporting our fantastic local shops, markets, and artisans who make Bentley such a unique destination. Let's continue to look out for one another, welcome visitors with our signature small-town hospitality, and drive safely through our residential and construction zones.

On behalf of Town Council and administration, we wish you and your family a safe, happy, and action-packed summer!

Mayor Pamela Hansen and Town Council

Together We Are Better!

The Bentley District Fire Department is proud to announce the promotion of Jeff Vert to the position of Fire Chief.

Chief Vert's journey with our department began nearly two decades ago when he first joined the ranks as a volunteer firefighter in 2008. Over the last 18 years, Jeff has proven himself to be a dedicated, reliable, and deeply committed member of our team and the community we protect. Having worked his way up through the ranks, Chief Vert brings a wealth of hands-on experience, invaluable institutional knowledge, and a profound understanding of what it takes to serve on the frontline. His leadership style is built on the very foundation of his career: hard work, integrity, and a steadfast dedication to the safety of our residents and the well-being of our crew.

Please join us in congratulating Chief Jeff Vert on his well-deserved promotion. We are incredibly confident in his vision and leadership as he guides the Bentley District Fire Department into its next chapter.

A message from the department: "Leadership isn't given; it's earned. Chief Vert has spent 18 years proving his dedication to this department and this community. We are honored to serve under his leadership.
