FREE TO ATTEND!

Kidz Matter!

STAY & PLAY – Little Hands, Big Discoveries!

Stay & Play is a place for young children and their caregivers to play, explore and learn together. October brings hands-on seasonal activities that encourage sensory exploration, creativity, fine-motor development and caregiver-child connection – with plenty of fun along the way!

October 2 – Pumpkin Guts

Real pumpkin, real mess, real fun! Children and caregivers can dig into a pumpkin, pull out the seeds and explore words such as slimy, stringy and smooth. This hands-on sensory activity introduces new textures while creating a natural opportunity to build vocabulary together.

October 9 – Apple Stamp Art

Apples become art supplies! Children will dip halved apples into paint and stamp their way across the page. Along the way, caregivers can talk about colours, count the prints and practise turn-taking. Pressing and stamping also helps build the hand strength and wrist control that support later pencil skills.

October 16 – Sticky Spider Webs

Little hands will stick, pull and re-stick pom-pom “flies” onto tape-and-yarn spider webs. The activity encourages sensory exploration and strengthens the pincer grip used for future writing, while giving children a simple, hands-on introduction to what sticks – and what doesn’t!

October 23 – Monster Dig

What’s hiding in the sensory bin? Children can scoop and sift through dyed rice to discover plastic bugs and mini monsters. Cups and spoons will also be available for children who prefer using tools. Scooping, pouring and digging build hand strength and coordination while imaginative play adds to the adventure.

New Time

KIDZ KLUB – Where Fun Builds Skills!

Kidz Klub is more than a place to hang out after school. It’s a welcoming space for Grades 3–5 to connect with other kids, build friendships, try new things and strengthen important life skills – all while having fun! October is packed with activities designed to get kids thinking, creating, communicating and working together.

October 5 – Whodunit? A Kidz Klub Mystery

Someone has made off with the snack box, and our Kidz Klub detectives are on the case! Kids will work in teams using suspect profiles, alibis, clues and a few tricky red herrings to solve the mystery. Behind all the fun, they’ll be practising critical thinking, deductive reasoning, teamwork and listening skills.

October 19 – Flashlight Tales

Lights down, flashlights up! Kids will draw a fun story starter and work together to turn it into a spooky, silly or completely wild tale. Then they can share their creation with the group. It’s a low-pressure way to encourage imagination, active listening, collaboration and confidence speaking in front of others.

October 26 – Kidz Klub Halloween Party

We’re wrapping up October with a party! There will be games including a mummy-wrap relay, pumpkin bowling and freeze dance, plus a craft and treat bag. Costumes are welcome but never required, and face painting and simple masks will be available so everyone can join in the fun.

BUILD BRIGHTER TOMORROWS

FRIDAYS
10:00 AM – 12:00 PM
Basement of Town Office

FREE TO ATTEND!
Play. Connect. Grow. Together.

October 30 – Stay & Play Halloween Party

We’ll finish the month with a gentle, toddler-paced Halloween celebration! Families can enjoy a simple trick-or-treat loop, make a paper-plate pumpkin or ghost craft, and join in Halloween-themed songs at circle time. Costumes are welcome, but never required, so every family can comfortably take part. Come Play, Connect & Discover Together!

Council Meetings

Council meets on the 2nd and 4th Tuesday evening each month at 6:30 p.m. The public is welcome and encouraged to attend.

Agendas and meeting packages are posted on the Town website Fridays prior to each Council meeting. These documents are a great way to stay informed about the work and activities of Town Council and Administration.

To attend as a delegation, please contact the Town Office for the proper procedure to do so.

*Stay
Informed!*

Your Council.
Your Community.
Everyone Welcome!

Animal Licence Tags

As per Bylaw 152/2011, all dogs and cats in the Town of Bentley require a licence tag.

Animal control licence tags may be purchased at the Town Office. Applications are available at the Town Office or on the Town website.

Spayed/Neutered: \$35

Unaltered: \$45

*Please remember
to scoop the poop!*

Business Licences

With a few exceptions, all commercial and home-based businesses in the Town of Bentley require a valid yearly Business Licence.

This also applies to businesses and services that are not located in the Town of Bentley but are coming into town to conduct business or provide a service.

The application form can be found on the Town's website or picked up at the Town Office.

Support Local Businesses!

Monthly Tax Installment

Payments are an option with the Town of Bentley.

Instead of one larger payment, you can spread your property tax payments throughout the year.

For more information on this program, please call the Town Office or drop in and speak with one of our staff.

*A simpler way
to manage your property taxes!*

Utility Payment Agreements

We offer automatic bank withdrawals from your bank for your Town Water, Sewer & Garbage utility payments.

We also offer emailed utility billings rather than a paper copy — your choice.

Contact the Town Office to learn more or to get set up.

*Convenient Options
for You!*

Mayor and Council Message: Autumn Community & October Highlights

Dear Neighbors,

As we settle into October, our community continues to make strong progress on local projects while gathering to celebrate the season. This month brings important updates on town operations and opportunities to connect with friends and neighbors.

Key Municipal & Council Updates

1. Infrastructure & Utility Projects

- **Sewer Line Construction & Upgrades:** Work on the sewer line is currently underway across designated areas of town. Thank you to all residents for your patience and cooperation during road work over the past several weeks.
- **New Curbside Recycling Program:** We are excited about the launch of the new recycling program starting October 1, 2026! Please place your recycling bins in the exact same location as your regular garbage cans. Keep an eye out for further details and collection guides coming soon.

2. Planning, Growth & Housing

- **Shared Regional Growth Strategic Framework:** Bentley has officially partnered with Penhold and Clive under an Alberta Community Partnership grant to develop a joint growth framework that supports economic development and long-term planning for our region.
- **Housing Needs Assessment:** A comprehensive local housing needs assessment and community profile are underway to evaluate local demographics, current residential supply, and future development readiness to ensure Bentley grows responsibly.

3. Traffic & Public Safety

- **School Zone & Neighborhood Safety:** With the school year in full swing, motorists are reminded to strictly adhere to posted 30 km/h school and playground speed limits.
- **Bylaw & Parking Enforcement:** Drivers are asked to avoid blocking sightlines, ensuring pedestrian walkways remain safe for students and families.

4. Community Dates & Upcoming Events

- **Good Neighbour Day Recap:** A heartfelt thank you to everyone who joined us to celebrate Good Neighbour Day! We extend our sincere gratitude to all the organizers, volunteers, and local sponsors who worked tirelessly behind the scenes to make the event such a success. Seeing neighbors gather, connect, and celebrate community spirit is what makes Bentley such a wonderful place to live.
- **Bentley Arena Open for the Season:** The ice is in and the Bentley Arena is officially open for the season! We wish all of our hockey teams, skaters, and families an enjoyable, fun, and successful season on the ice.
- **Household Hazardous Waste Roundup – October 3:** Don't forget! Bring household hazardous materials, paints, and chemicals to the designated collection depot on Saturday, October 3 for safe, environmentally friendly disposal.

- **Halloween Safety & Trick-or-Treating – October 31:** We wish all our young goblins and ghouls a fun and safe Halloween! Trick-or-treating will take place on Friday evening, October 31. Please remember to wear bright or reflective clothing, carry a flashlight, and double-check all treats before enjoying them. Drivers are urged to take extra care and drive slowly through residential neighborhoods during peak evening trick-or-treating hours.

Community Highlights & FCSS News

- **FCSS & Community Programs:** Local Family and Community Support Services (FCSS) initiatives continue to support our residents. Be sure to stop by the Bentley Boutique clothing recycling program and check out upcoming community wellness resources.
- **Playground Structure Update:** The older wood play structure has been safely removed from the park. We are looking forward to having a brand-new structure installed to replace it in the spring!
- **Bentley Municipal Library:** Explore new October programming, seasonal reading clubs, and digital resource access available through our local library board.
